

How to play:

Select your team of fifteen different players from the Player list attached to this form and nominate one of your players as Star Player. If you wish to receive a weekly update by E-mail, please enter your e-mail address in the space provided. If you want to have a lucky dip team (value between £65m. and £70m.), please tick the box provided and do not enter any player details yourself. Once you have completed the form, submit your team(s) along with your entry fee to John Gallon or leave your entry form and fee behind the bar in The Jolly Fisherman. Teams which fail to meet the entry requirements for the competition will not be registered.

NB. If you selected your team rather than opting for a lucky dip team your team(s) must be submitted by 7.00pm on Friday 10th. August 2018 to begin scoring points from the beginning of the Fantasy League. Teams selected by the entrant accepted after this date will only start scoring points from the Saturday following the date of submission. Lucky dip teams may be entered at any time in the season and will have scores backdated to the start of the season.

Note: There is no limitation on the number of teams each person may enter.

Scoring Points:

The Star Player will score double points at all times (including double negative points where appropriate). From the remaining squad of 14 players, 10 players will score each week. Excluding the Star Player, the score of the lowest positive or zero-scoring player in each position each week will drop out of the scoring (i.e. negative scores will not drop out). If all players in a position register negative scores, the score nearest to zero will drop out. Players score points during the English Premier League and FA Cup competitions as below. No scores are registered for other matches (European Ties, League Cup etc)

Your selected players will score points as follows:

All players:

Starting XI appearance (2 pts)
Substitute appearance (1 pt)
Goal scored (5 pts)
Key Contribution (3 pts)
Red card (-3 pts)
Yellow card (-1 pt)
Missed penalty (-2 pts)
Own Goal (-3 pts)

Goalkeepers only:

Penalty save (5pts)

Goalkeepers/defenders only:

Full Clean sheet - player plays 60 mins or more (5 pts)
Part clean sheet - player plays fewer than 60 mins (2 pts)
First goal conceded (0 pts)
Each additional goal conceded (-1 pt)
Points are not awarded for penalty shoot outs.

For the purposes of Cup matches, extra time counts as normal game time.

Player Transfers and Star Player changes:

Changes made before 7:00pm on Friday 10th. August 2018 will not count against your transfer allocation. After that date managers may make no more than 4 transfers per week up to a maximum of 24 transfers. These transfers will be split into 2 batches of 12. The first batch of 12 may be used in the first half of the season (running from Sunday 12th. August 2018 until Saturday 29th. December 2018). The second batch of 12 transfers may be used in the second half of the season (Sunday 30th. December 2018 to Saturday 18th. May 2019). A maximum of 4 transfers may be made in a single transfer week (Sunday to Saturday) with the transfers taking effect from the following Sunday which means that the new scores will show from the Sunday after.

You may change your Star Player nomination up to 3 times during the season. These changes may be made at any time although the normal weekly transfer period will apply. Your Star Player must be a member of your squad; if you wish to have a new Star Player who is not already in your squad you must transfer the new player into your squad and this will count as one of your transfers from your allocation of 24.

Transfer forms will be available from the blue folder behind the bar at The Jolly Fisherman and may also be downloaded from <https://www.thegallons.co.uk/Archive/Football/football2018.html>. Full rules are as given on the Transfer Form.

Updates

Updated League tables will be published each Sunday at <https://www.thegallons.co.uk/Archive/Football/football2018.html> and also held in the blue folder behind the bar at The Jolly Fisherman. Registered users of the E-mail service will receive the updated League Table, a listing of current player scores and a summary of transfers registered in the previous transfer week.

The scores published each Sunday will contain details of all matches played up to and including the Saturday previous to the date of publication (subject to availability of the scores).

Fantasy Cup Competition**How the Cup is Played:**

A knock-out Cup Competition will be run on the same dates as the rounds of the FA Cup (subject to the number of teams in the league). Fantasy League teams will be drawn head-to-head by random computer selection with the team scoring the highest points going forward to the next round. If the teams are level on points, the scores for the previous week will be taken into account. This count-back will continue until a winner is found.

Two-thirds of the Fantasy Cup prize fund will be awarded to the Cup Winner and one-third to the losing finalist.

Cup Draws and updates will be published along with the Fantasy League updates on the appropriate Sundays.

Player List

A list of players, positions, values and 2017-8 scores (if in the Fantasy League during that season) appears below. Additional players will be added as necessary before and during the season. These players and their details can be found from the updated list available each Sunday at <https://www.thegallons.co.uk/Archive/Football/football2018.html>, in the Jolly Fisherman and by e-mail.
