|                    | Connor Wickham          | Other                   | Sept 17: "Connor took part in today's training session, albeit it was more modified than with Christian [Benteke]."                                                                            | No Return Date | None                     | Ruled Out |
|                    | Martin Kelly            | Calf/Shin/Heel Injury   | Dec 04: "He had that problem with his calf muscle, and we're still being a bit careful with that as well. He's probably a little way from being able to join us."                              | No Return Date | None                     | Ruled Out |
|                    | Wayne Hennessey         | Other                   | Oct 23: "We know he's going to be out until at least January and then we don't know what the future will hold for him even then."                                                              | No Return Date | None                     | Ruled Out |
|                    | Nathan Ferguson         | Thigh Injury            | Dec 12: "Unfortunately as sometimes happens, it has led to him picking up a slight thigh strain. I am waiting on the results of the MRI."                                                      | No Return Date | Currently Being Assessed | Ruled Out |
| Everton (5)        | Jean-Philippe Gbamin    | Calf/Shin/Heel Injury   | Nov 27: "I think he will be here [at Finch Farm] in two weeks. We decided to leave him to finish his rehab individually. I think he will be here and be ready to train and to play."           | 19/12/2020     | None                     | Ruled Out |
|                    | Seamus Coleman          | Thigh Injury            | Dec 11: "Seamus started this week to train with the team, which was good. I think he will be available for the next game, against Leicester on Wednesday."                                     | 16/12/2020     | None                     | 75%       |
|                    | James Rodriguez         | Calf/Shin/Heel Injury   | Dec 11: "He had a problem with his calf and was not able to train this week. It is nothing special. I think he will start to train next week - but for this game I don't want to take a risk." | 16/12/2020     | None                     | 50%       |
|                    | Lucas Digne             | Ankle/Foot Injury       | Nov 27: "It is a loss, but we have to manage this. Unfortunately, during the season it can happen. We will be able to adapt to the loss for 2-3 months."                                       | No Return Date | None                     | Ruled Out |
|                    | Fabian Delph            | Thigh Injury            | Dec 11: "Fabian Delph is out with the injury he suffered in last week's match."                                                                                                                | No Return Date | None                     | Ruled Out |
| Fulham (2)         | Kenny Tete              | Other                   | Lacking Match Fitness                                                                                                                                                                          | No Return Date | Currently Being Assessed | 50%       |
|                    | Terence Kongolo         | Ankle/Foot Injury       | Nov 04: "Realistically, after the international break he'll get back in for some training. But yeah, I think we won't be seeing Terence in near future."                                       | No Return Date | None                     | Ruled Out |
| Leeds United (4)   | Diego Llorente          | Other                   | Dec 09: "He has a muscular problem, we won't be able to count on him for at least two weeks, but we need to see. Perhaps longer depending on his evolution."                                   | 29/12/2020     | Currently Being Assessed | Ruled Out |
|                    | Gaetano Berardi         | Knee Injury             | Anterior Cruciate Ligament Injury - ACL Injury                                                                                                                                                 | No Return Date | None                     | Ruled Out |
|                    | Adam Forshaw            | Groin/Hip/Pelvic Injury | Dec 03: "He has highs and lows. But up until this point he hasn't been able to do any football practices."                                                                                     | No Return Date | None                     | Ruled Out |
|                    | Robin Koch              | Knee Injury             | Dec 09: "The surgery went well. The length of his absence depends on the evolution, but he's likely to be out for around three months."                                                        | No Return Date | Currently Being Assessed | Ruled Out |
