| Sunday, 21 March 2021                                  |                                 |                         |                                                                                                                                                                                              |                  |                          |           |
| Team                                                   | Player                          | Reason                  | Further Details                                                                                                                                                                              | Potential Return | Condition                | Status    |
| Aston Villa (4)                                        | Jack Grealish                   | Calf/Shin/Heel Injury   | Mar 10: "It hasn't helped that he's been ill this week. He's made good progress and we're happy with where he's at. Hopefully he'll be available for selection vs Spurs."                    | 21/03/2021       | None                     | 50%       |
|                                                        | Kortney Hause                   | Ankle/Foot Injury       | Mar 05: "Kortney should join in training with us next week, as well. That's really good news."                                                                                               | 21/03/2021       | None                     | 50%       |
|                                                        | Wesley Moraes Ferreira da Silva | Knee Injury             | Mar 05: "In full contact training now. He'll probably get involved in some U23 games, but that's really good news because he's been out for 14-15 months."                                   | No Return Date   | None                     | Ruled Out |
|                                                        | Bertrand Isidore Traore         | Chest/Abdominal Injury  | Mar 12: "He has a whack on the hip and the ribs, it was a blow to lose his creativity."                                                                                                      | No Return Date   | Currently Being Assessed | 50%       |
| Brighton and Hove Albion (5)                           | Adam Webster                    | Ankle/Foot Injury       | Mar 05: "It's going to be a bit of a slow one up until the international break and then we will see whether we can pick things up. But we won't see him this side of that, that's for sure." | 03/04/2021       | None                     | Ruled Out |
|                                                        | Aaron Connolly                  | Chest/Abdominal Injury  | Mar 12: "Aaron has got a cracked rib and he will be back after the international break."                                                                                                     | 03/04/2021       | None                     | Ruled Out |
|                                                        | Florin Andone                   | Knee Injury             | Feb 21: "He is getting close to joining our group and then it is just a case of continuing that rehabilitation process."                                                                     | No Return Date   | None                     | Ruled Out |
|                                                        | Solomon March                   | Knee Injury             | Feb 25: "My aim is to be back for pre-season at the moment. I hope to be outside before the end of the season. That gives me the summer to get fully fit."                                   | No Return Date   | None                     | Ruled Out |
|                                                        | Tariq Lamptey                   | Thigh Injury            | Mar 12: "Hamstring hasn't responded as well as we'd like. We're looking at surgery which means he will miss the rest of the season."                                                         | No Return Date   | None                     | Ruled Out |
| Burnley (3)                                            | Jack Cork                       | Thigh Injury            | Mar 11: "It's probably a bit too early for Cork."                                                                                                                                            | 03/04/2021       | None                     | 50%       |
|                                                        | Charlie Taylor                  | Thigh Injury            | Mar 11: "Taylor will probably miss out on this one."                                                                                                                                         | 03/04/2021       | None                     | 50%       |
|                                                        | Ashley Barnes                   | Thigh Injury            | Thigh Injury                                                                                                                                                                                 | No Return Date   | None                     | Ruled Out |
| Chelsea (2)                                            | Tammy Abraham                   | Ankle/Foot Injury       | Mar 12: "[He is] not 100 per cent comfortable. I am a bit concerned as he can still feel the pain from the tackle [vs Newcastle]."                                                           | No Return Date   | None                     | Ruled Out |
|                                                        | Thiago Silva                    | Thigh Injury            | Mar 12: "Thiago had a little setback in training at the end of the session. He felt something around the same area where he was injured."                                                    | No Return Date   | Currently Being Assessed | Ruled Out |
| Crystal Palace (7)                                     | James McArthur                  | Calf/Shin/Heel Injury   | Mar 01: "As for James, we may have to wait until the international break until we see him."                                                                                                  | 03/04/2021       | None                     | Ruled Out |
|                                                        | Nathaniel Clyne                 | Other                   | Mar 12: "Making some progress, but unfortunately not quick enough for this weekend."                                                                                                         | 03/04/2021       | None                     | Ruled Out |
|                                                        | Tyrick Mitchell                 | Other                   | Mar 05: "I'm afraid he is suffering from a muscle injury."                                                                                                                                   | 03/04/2021       | None                     | Ruled Out |
|                                                        | James McCarthy                  | Groin/Hip/Pelvic Injury | Groin Strain                                                                                                                                                                                 | 03/04/2021       | None                     | Ruled Out |
|                                                        | Nathan Ferguson                 | Thigh Injury            | Mar 12: "He's had no symptoms of either the knee or thigh injury. As long as that continues, I'll be expecting him to join us for the last two weeks before we play again."                  | 03/04/2021       | None                     | Ruled Out |
|                                                        | Mamadou Sakho                   | Thigh Injury            | Jan 09: "We'll have to wait [to] get back to the training ground and assess him. He felt that there was a strain in his left thigh."                                                         | No Return Date   | Currently Being Assessed | Ruled Out |
|                                                        | James Tomkins                   | Head/Face Injury        | Feb 28: "It's not a quick healing process. There's no way he's going to be rushed back into football until he's 100 per cent."                                                               | No Return Date   | None                     | Ruled Out |

|                    |                       |                         |                                                                                                                                                                                 |                |                          |           |
|--------------------|-----------------------|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--------------------------|-----------|
| Everton (6)        | James Rodriguez       | Calf/Shin/Heel Injury   | Mar 12: "We decided to give him a proper recovery. We have taken this decision together. I think, [a return] after the [international] break, it's not a big problem."          | 03/04/2021     | None                     | Ruled Out |
|                    | Robin Olsen           | Other                   | Mar 12: "Robin had a problem physically and started training this week. Honestly, we have to check today if he's good and can be available for the game tomorrow."              | 20/03/2021     | None                     | 50%       |
|                    | Fabian Delph          | Other                   | Tendon Injury                                                                                                                                                                   | No Return Date | None                     | Ruled Out |
|                    | Abdoulaye Doucoure    | Ankle/Foot Injury       | Mar 12: "Has a small fracture on his foot, and so, he has to stay out for maybe 8-10 weeks. I hope he can recover before the end of the season."                                | No Return Date | None                     | Ruled Out |
|                    | Jordan Pickford       | Chest/Abdominal Injury  | Rib Injury                                                                                                                                                                      | No Return Date | Currently Being Assessed | Ruled Out |
|                    | Jean-Philippe Gbamin  | Calf/Shin/Heel Injury   | Feb 12: "Everything is going well but we have to think about him training with the team is fifteen days and to play is one month."                                              | No Return Date | None                     | Ruled Out |
| Fulham (3)         | Marek Rodak           | Wrist/Hand Injury       | Feb 28: "He's struggling a little bit with a finger injury. He picked it up in training. Too early to know where we are but tomorrow he's going to see a specialist."           | No Return Date | Currently Being Assessed | 25%       |
|                    | Tom Cairney           | Knee Injury             | Mar 11: "Tom is back training with us. The weekend is probably a little bit too early for him. He might need a game to get some football. He has been out for a long time now." | No Return Date | None                     | 25%       |
|                    | Bobby De Cordova-Reid | Other                   | Knock                                                                                                                                                                           | No Return Date | Currently Being Assessed | Ruled Out |

|                             | Moussa Djenepo    | Groin/Hip/Pelvic Injury | Mar 12: "It doesn't look that bad, so hopefully he can start training by the end of the week. He can be an alternative for the weekend, but we don't know it yet."                       | 14/03/2021     | Late Fitness Test        | 50%       |
|                             | Michael Obafemi   | Other                   | Jan 14: "Michael has had surgery."                                                                                                                                                       | No Return Date | None                     | Ruled Out |
|                             | Oriol Romeu       | Ankle/Foot Injury       | Feb 26: "Season over. Surgery means it will take maybe three months."                                                                                                                    | No Return Date | Currently Being Assessed | Ruled Out |
|                             | William Smallbone | Knee Injury             | Jan 18: "It's the worst for him and for us, an ACL injury, so half a year out, maybe."                                                                                                   | No Return Date | Currently Being Assessed | Ruled Out |
| Tottenham Hotspur (2)       | Harry Kane        | Knee Injury             | Mar 11: "Harry I don't believe is anything big. Sunday is a match everyone wants to play and little things will not stop him. I don't have the feeling it is anything serious."          | 14/03/2021     | Currently Being Assessed | 75%       |
|                             | Giovani Lo Celso  | Lower Back Injury       | Back Injury                                                                                                                                                                              | No Return Date | Currently Being Assessed | 25%       |
| West Ham United (6)         | Arthur Masuaku    | Knee Injury             | Mar 12: "Arthur's getting much closer to match fitness and all-round fitness generally."                                                                                                 | 03/04/2021     | None                     | Ruled Out |
|                             | Jesse Lingard     | Other                   | Unable to Face Parent Club                                                                                                                                                               | 21/03/2021     | None                     | Ruled Out |
|                             | Ryan Fredericks   | Groin/Hip/Pelvic Injury | Feb 26: "Fredericks picked up a groin injury which is not serious, it's touch and go, so we'll have to see how he is after training today."                                              | 14/03/2021     | Late Fitness Test        | 25%       |
|                             | Angelo Ogbonna    | Ankle/Foot Injury       | Mar 12: "He's out of his boot, and we're expecting him to start some running on the AlterG [soon]. Maybe by the end of the break, we might have him back on the grass in some capacity." | No Return Date | None                     | Ruled Out |
|                             | Andriy Yarmolenko | Knee Injury             | Feb 12: "Yarmolenko has a got a little bit of a knee injury we're going to assess so we know exactly what that is."                                                                      | No Return Date | None                     | Ruled Out |
|                             | Darren Randolph   | Groin/Hip/Pelvic Injury | Mar 05: "Darren has got a little bit of a problem with his hip. He's doing a bit of work in the gym."                                                                                    | No Return Date | None                     | Ruled Out |
| Wolverhampton Wanderers (2) | Fernando Marcal   | Groin/Hip/Pelvic Injury | Feb 26: "In the last game, had to go out. He had the proper exams, and he has an injury on his right adductor. He's going to have surgery, so he'll be out for a couple of weeks."       | No Return Date | None                     | Ruled Out |
|                             | Raul Jimenez      | Head/Face Injury        | Feb 26: "We are following the right protocols, with no rush, but delighted that Raul is getting better and better day by day - it's fantastic for us."                                   | No Return Date | None                     | Ruled Out |
