|                                                        | Douglas Luiz Soares de Paulo | Thigh Injury            | Hamstring Strain                                                                                                                                                                                                 | 20/11/2021       | None                     | Ruled Out |
|                                                        | Ezri Konsa                   | Suspended               | Sending Off - Red Card                                                                                                                                                                                           | 20/11/2021       | None                     | Ruled Out |
|                                                        | Bertrand Isidore Traore      | Thigh Injury            | Oct 21: "They'll (Bailey and Traore) be in the squad, but I'll have to assess where they are."                                                                                                                   | No Return Date   | None                     | Ruled Out |
|                                                        | Mahmoud Ibrahim Hassan       | Knee Injury             | Apr 20: "Had a nasty knee injury last week and he's going to be out for a significant time now. He's had an operation that was successful."                                                                      | No Return Date   | None                     | Ruled Out |
| Brentford (7)                                          | Yoane Wissa                  | Ankle/Foot Injury       | Oct 16: "Wissa got a knock and twisted his ankle a bit in training earlier this week, that's why he is out for, hopefully, only a couple of weeks."                                                              | 20/11/2021       | None                     | Ruled Out |
|                                                        | Mads Sorensen                | Knee Injury             | Aug 27: "Mads is unfortunately a longer-term injury, with his medial ligament that is damaged. I don't want to put weeks or months on his recovery."                                                             | No Return Date   | None                     | Ruled Out |
|                                                        | David Raya Martin            | Knee Injury             | Oct 26: "David has unfortunately sustained an injury to the PCL in his left knee. We anticipate the recovery period for an injury like this to be somewhere between 4-5 months."                                 | No Return Date   | Currently Being Assessed | Ruled Out |
|                                                        | Kristoffer Ajer              | Thigh Injury            | Nov 04: "Kris has a hamstring injury. We are probably speaking about the mid-to-end of December or start of January."                                                                                            | No Return Date   | None                     | Ruled Out |
|                                                        | Mathias Jorgensen            | Other                   | Muscular Injury                                                                                                                                                                                                  | No Return Date   | Currently Being Assessed | Ruled Out |
|                                                        | Joshua Dasilva               | Groin/Hip/Pelvic Injury | Jul 07: "It is a hip injury that is rare, so the way we've gone about it has to be careful. It's not an injury where I can give you a time, we're trying to manage it in the right way. I'll have answers soon." | No Return Date   | None                     | Ruled Out |
|                                                        | Shandon Baptiste             | Shoulder Injury         | Dislocated Shoulder                                                                                                                                                                                              | No Return Date   | Currently Being Assessed | Ruled Out |
|                                                        | Steven Alzate                | Ankle/Foot Injury       | Oct 14: "It's just going to take a bit of time for that process to happen, same with Steven [following surgery]."                                                                                                | 15/01/2022       | None                     | Ruled Out |
| Brighton and Hove Albion (5)                           | Dan Burn                     | Knee Injury             | Nov 04: "Dan is not definitely out, we'll see how he is."                                                                                                                                                        | 20/11/2021       | None                     | 75%       |
|                                                        | Aaron Connolly               | Calf/Shin/Heel Injury   | Heel Injury                                                                                                                                                                                                      | 20/11/2021       | None                     | 75%       |
|                                                        | Robert Sanchez               | Suspended               | Sending Off - Red Card                                                                                                                                                                                           | No Return Date   | None                     | Ruled Out |
|                                                        | Danny Welbeck                | Thigh Injury            | Oct 14: "Obviously, it's devastating for Danny and for us, but he has had surgery, all is well and he will be back stronger than ever. It is just going to take a bit of time."                                  | No Return Date   | None                     | Ruled Out |
|                                                        | Aaron Lennon                 | Other                   | Nov 04: "Aaron has a little bit of an illness, so we'll wait and see if he's available, but everybody else is looking good."                                                                                     | 20/11/2021       | None                     | 100%      |

He's not a topic for the weekend but he'll come closer the longer he's with us in training."            | No Return Date | None                     | Ruled Out |
|                       | Christoph Zimmermann | Ankle/Foot Injury       | Oct 29: "Christoph had his ankle surgery and will be out for several weeks."                                                                                                                          | No Return Date | None                     | Ruled Out |
| Southampton (2)       | Nathan Redmond       | Other                   | Nov 05: "Nathan tested positive [for COVID-19], but he is fine and he is at home."                                                                                                                    | No Return Date | Currently Being Assessed | Ruled Out |
|                       | Jack Stephens        | Knee Injury             | Sept 21: "With Jack, 10 to 12 weeks maybe. A long-term injury is always a blow to us. The tendon on the knee is disrupted, I don't know how long, but it will take time."                             | No Return Date | Currently Being Assessed | Ruled Out |
| Tottenham Hotspur (2) | Bryan Gil            | Thigh Injury            | Oct 29: "Let's see, let's assess him. He didn't train, he has something there, but let's wait and see. It's not very positive for him."                                                               | No Return Date | None                     | Ruled Out |
|                       | Ryan Sessegnon       | Other                   | Oct 29: "He's not involved, still not with the group."                                                                                                                                                | No Return Date | None                     | Ruled Out |
| Watford (7)           | Peter Etebo          | Thigh Injury            | Oct 13: 'Peter has had surgery on the tear in his quad and has now returned to the club's training base to begin his rehab.'                                                                          | 05/03/2022     | None                     | Ruled Out |

|                             |                              |                         |                                                                                                                                                                                                |                |                          |           |
|-----------------------------|------------------------------|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--------------------------|-----------|
|                             | Francisco Sierralta Carvallo | Thigh Injury            | Nov 05: "Trained with the first-team this week and could be in contention for the Arsenal game on Sunday."                                                                                     | 07/11/2021     | None                     | 100%      |
|                             | Kiko Femenia                 | Groin/Hip/Pelvic Injury | Nov 05: "Kiko has shaken off a knock to the hip and was also in full training this week."                                                                                                      | 07/11/2021     | None                     | 100%      |
|                             | Emmanuel Dennis              | Suspended               | 5 Yellow Cards                                                                                                                                                                                 | 07/11/2021     | None                     | 100%      |
|                             | Christian Kabasele           | Thigh Injury            | Nov 05: "Contiuing to improve, beginning running work now as he works his way back from a hamstring strain."                                                                                   | No Return Date | None                     | Ruled Out |
|                             | Ken Sema                     | Knee Injury             | Nov 05: "Will be sidelined for some weeks with [an MCL] injury sustained in training."                                                                                                         | No Return Date | None                     | Ruled Out |
|                             | Kwadwo Baah                  | Ankle/Foot Injury       | Nov 05: "Will be sidelined for some weeks with [an] injury sustained in training. Fractured his ankle and is set for a follow-up scan."                                                        | No Return Date | Currently Being Assessed | Ruled Out |
| West Ham United (2)         | Andriy Yarmolenko            | Other                   | Nov 05: "Andriy had a little bit of an injury before we went away to Genk, Nikola Vlasic as well, so we'll see how they are."                                                                  | 07/11/2021     | Late Fitness Test        | 50%       |
|                             | Nikola Vlasic                | Other                   | Nov 05: "We lost a couple of players in midweek to small niggles, nothing serious, but that limited us a little bit, but that can easily happen."                                              | 07/11/2021     | Late Fitness Test        | 50%       |
| Wolverhampton Wanderers (5) | Fernando Marcal              | Calf/Shin/Heel Injury   | Oct 23: "Marcal felt his calf during the week and he didn't travel with us. I took the decision to play Rayan."                                                                                | 20/11/2021     | None                     | 50%       |
|                             | Jonny Castro Otto            | Knee Injury             | Sept 29: "Jonny is doing very well rehabilitating from cruciate ligament surgery and is on course for an expected return in the new year."                                                     | No Return Date | None                     | Ruled Out |
|                             | Pedro Lomba Neto             | Knee Injury             | Sept 29: "We are taking him stage by stage, and he is due a specialist review on progress in October. Until then, we do not want to put pressure on him by giving him a specific return date." | No Return Date | None                     | Ruled Out |
|                             | Yerson Mosquera              | Thigh Injury            | Sept 29: "It is too early to give a return date as there is such variation in how quickly players heal, but as a guide 4-5 months is usual."                                                   | No Return Date | None                     | Ruled Out |
|                             | Hugo Bueno                   | Thigh Injury            | Hamstring Strain                                                                                                                                                                               | No Return Date | Currently Being Assessed | Ruled Out |
