| AFC Bournemouth<br>(4)                                 | David Brooks              | Other                   | Aug 22: 'I am working hard alongside the excellent coaching team at Bournemouth and I'm hoping to be back on the pitch soon.'                                                           | 01/10/2022       | None                     | Ruled Out |
|                                                        | Joseph Rothwell           | Thigh Injury            | Sept 02: 'Joe is getting closer. He's done some really good work in the past couple of weeks. So good to see him back on the grass with the fitness guys.'                              | 10/09/2022       | None                     | 25%       |
|                                                        | Junior Stanislas          | Groin/Hip/Pelvic Injury | Aug 20: 'Junior felt his groin on Thursday. He's had a scan and doesn't think it's a big one, but we'll have to see how that goes.'                                                     | No Return Date   | None                     | Ruled Out |
|                                                        | Benjamin Pearson          | Knee Injury             | Sept 02: 'We're not sure on diagnosis yet; it's going to be a few more days until we've got a clearer picture. He won't make the weekend, and we're hopeful he's not out for too long.' | No Return Date   | Currently Being Assessed | Ruled Out |
| Arsenal<br>(6)                                         | Reiss Nelson              | Thigh Injury            | Aug 12: 'He felt something in training. We scanned it, and the doctor came with some bad news. It's a muscular injury, and hopefully, he will be back soon.'                            | 01/10/2022       | None                     | Ruled Out |
|                                                        | Thomas Partey             | Thigh Injury            | Sept 02: 'With Thomas, hopefully, we are talking weeks or even shorter than that, I hope.'                                                                                              | 01/10/2022       | None                     | Ruled Out |
|                                                        | Martin Odegaard           | Ankle/Foot Injury       | Sept 02: 'Those two [Ramsdale and Odegaard] are being assessed; we will see more tomorrow. Hopefully, they will be able to train with the team.'                                        | 04/09/2022       | Late Fitness Test        | 50%       |
|                                                        | Aaron Ramsdale            | Knee Injury             | Sept 02: 'Those two [Ramsdale and Odegaard] are being assessed; we will see more tomorrow. Hopefully, they will be able to train with the team.'                                        | 04/09/2022       | Late Fitness Test        | 75%       |
|                                                        | Oleksandr Zinchenko       | Knee Injury             | Sept 02: 'Unfortunately, with Alex, that's still not the case; he missed two games and has not been able to train with the team yet.'                                                   | 04/09/2022       | Late Fitness Test        | 25%       |
|                                                        | Mohamed Elneny            | Thigh Injury            | Sept 02: 'With Mo, it's probably a little bit easier, and we are talking months.'                                                                                                       | No Return Date   | None                     | Ruled Out |
| Aston Villa<br>(3)                                     | Leander Dendoncker        | Illness                 | Sept 02: 'Leander is struggling a little bit this morning with his throat, so we'll have to analyse that as the day goes along.'                                                        | 10/09/2022       | None                     | 75%       |
|                                                        | Matty Cash                | Other                   | Muscular Injury                                                                                                                                                                         | No Return Date   | Currently Being Assessed | 25%       |
|                                                        | Diego Carlos Santos Silva | Calf/Shin/Heel Injury   | Aug 19: 'He had successful surgery yesterday, so it's important that we look forward and try to be positive.'                                                                           | No Return Date   | None                     | Ruled Out |
| Brentford<br>(3)                                       | Christian Norgaard        | Calf/Shin/Heel Injury   | Achilles Tendonitis                                                                                                                                                                     | 01/10/2022       | None                     | Ruled Out |
|                                                        | Sergi Canos Tenes         | Thigh Injury            | Aug 29: 'He's still a tiny bit away, to be sure. He's training in small bits to make sure there's no re-injury risk.'                                                                   | 10/09/2022       | None                     | Ruled Out |
|                                                        | Ethan Pinnock             | Knee Injury             | Aug 29: 'He's at a place where he's training by himself, he's on the pitch, and he's been doing that for a couple of weeks.'                                                            | No Return Date   | None                     | Ruled Out |
| Brighton & Hove Albion<br>(3)                          | Jakub Moder               | Knee Injury             | July 30: 'His rehab is still following the timescale that we originally envisaged. It's too early to say with timescales now. We're just concentrating on getting him fit and right.'   | 25/02/2023       | None                     | Ruled Out |
|                                                        | Adam Lallana              | Calf/Shin/Heel Injury   | Sept 02: 'Adam is progressing well, but it's the same timescale; we're looking at him being back available after the international break.'                                              | 01/10/2022       | None                     | Ruled Out |
|                                                        | Jeremy Sarmiento          | Knee Injury             | Sept 02: 'Jeremy is training; we're just building him up.'                                                                                                                              | 04/09/2022       | Late Fitness Test        | 25%       |
| Chelsea<br>(3)                                         | N'Golo Kante              | Thigh Injury            | Aug 26: 'With N'Golo we are talking about weeks; we are talking about four weeks plus.'                                                                                                 | 01/10/2022       | None                     | Ruled Out |

|-----------------------|---------------------------|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--------------------------|-----------|
|                       | Pierre-Emerick Aubameyang | Head/Face Injury        | Sept 03: 'He trains tomorrow. I can't tell you if it is full contact or more individually. He has the mask, but we need to check if it's half contact or full contact.'                                                                                | 06/09/2022     | Currently Being Assessed | 50%       |
|                       | Denis Zakaria             | Other                   | Sept 02: 'Our understanding is that we need to have the work permit, so he will not be in the squad for Saturday. That is too close but maybe for Tuesday and then Fulham.'                                                                            | 06/09/2022     | None                     | 50%       |
| Crystal Palace<br>(4) | Nathan Ferguson           | Ankle/Foot Injury       | Aug 12: "[Nathan] just had a setback. It's too early to talk about, but obviously, he didn't train in the last couple of days with the team."                                                                                                          | 26/12/2022     | None                     | Ruled Out |
|                       | Jack Butland              | Wrist/Hand Injury       | Metacarpal Fracture                                                                                                                                                                                                                                    | 11/09/2022     | None                     | Ruled Out |
|                       | James McArthur            | Groin/Hip/Pelvic Injury | July 30: "It's just a step back. It is an injury. Hopefully, it's not going to be as long as we think. We'll have to wait on Monday to see how long it is."                                                                                            | No Return Date | None                     | Ruled Out |
|                       | James Tomkins             | Calf/Shin/Heel Injury   | Calf Strain                                                                                                                                                                                                                                            | No Return Date | None                     | Ruled Out |
| Everton<br>(6)        | Andros Townsend           | Knee Injury             | Apr 01: "Andros, as we know, is a long-term injury. We all feel a lot for him there. It's a difficult time, but we'll support him and he'll be back strong."                                                                                           | 01/01/2023     | None                     | Ruled Out |
|                       | Ben Godfrey               | Calf/Shin/Heel Injury   | Aug 08: 'Ben underwent successful surgery this morning on the fractured fibula he sustained against Chelsea. The defender is expected to be out for around three months.'                                                                              | 26/12/2022     | None                     | Ruled Out |
|                       | Yerry Mina                | Ankle/Foot Injury       | Aug 08: 'Yerry sustained an ankle ligament injury and will see a specialist this week to discover the full extent of the problem before undergoing treatment.'                                                                                         | 09/10/2022     | None                     | Ruled Out |
|                       | Dominic Calvert-Lewin     | Knee Injury             | Sept 02: 'Dominic is expected back next week.'                                                                                                                                                                                                         | 11/09/2022     | None                     | 25%       |
|                       | Abdoulaye Doucoure        | Thigh Injury            | Sept 02: 'Abdoulaye completed his first training session on Friday after overcoming a hamstring problem.'                                                                                                                                              | 11/09/2022     | None                     | 50%       |
|                       | Mason Holgate             | Knee Injury             | Aug 27: 'He's opened up his knee and felt some pain, so we are going to scan it. The feeling is it will be weeks, maximum. I don't want to jump the gun too much, but hopefully, it's not a really bad injury.'                                        | No Return Date | Currently Being Assessed | Ruled Out |
| Fulham<br>(3)         | Harry Wilson              | Knee Injury             | Aug 11: "We have to see week by week. Let's see what will happen. It doesn't look so long as Manor Solomon, but six, eight weeks it could be. It's a long time injured for us. We're talking about probably ten games."                                | 01/10/2022     | None                     | Ruled Out |

I cannot tell at this moment [how long he will be out].'                                                                                                                             | No Return Date | None                     | Ruled Out |
| Newcastle United (5)  | Jonjo Shelvey                          | Thigh Injury            | Aug 12: 'He's had his operation and is out for around 12 weeks. He's very disappointed but is in a much better place mentally after the op.'                                                                                           | 26/12/2022     | None                     | Ruled Out |
|                       | Callum Wilson                          | Thigh Injury            | Aug 26: 'We don't believe his injury to be serious, and we're hopeful he'll only be out for a couple of weeks.'                                                                                                                        | 11/09/2022     | None                     | Ruled Out |
|                       | Bruno Guimaraes                        | Thigh Injury            | Sept 02: 'Bruno and Maxi are close. They weren't serious injuries, but we'll wait and see whether they're available for this weekend.'                                                                                                 | 11/09/2022     | None                     | 50%       |

|                             |                                |                         |                                                                                                                                                                                                                           |                |                          |           |
|-----------------------------|--------------------------------|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--------------------------|-----------|
|                             | Allan Saint-Maximin            | Thigh Injury            | Sept 02: 'Bruno and Maxi are close. They weren't serious injuries, but we'll wait and see whether they're available for this weekend.'                                                                                    | 11/09/2022     | None                     | 50%       |
|                             | Emil Krafth                    | Knee Injury             | Aug 30: 'It's an ACL injury. He's not been operated on yet, so it's difficult to give a firm date, but it's going to be six to nine months. A long time out, which is a huge blow to us.'                                 | No Return Date | None                     | Ruled Out |
| Nottingham Forest (3)       | Moussa Niakhate                | Thigh Injury            | Aug 20: 'He will be out for a few months. We had to do another scan late in the week. It is a blow for him [and us] because he has settled in really well.'                                                               | 30/10/2022     | None                     | Ruled Out |
|                             | Omar Richards                  | Calf/Shin/Heel Injury   | Aug 22: 'Omar is on course. He's probably still a month away, but he's making good progress, and we're happy with how he's doing.'                                                                                        | 03/10/2022     | None                     | Ruled Out |
|                             | Orel Mangala                   | Thigh Injury            | Aug 30: 'It's not serious; it is a hamstring injury. It's still a bit inconclusive of when he will come back, but it is more days and weeks rather than any longer than that.'                                            | No Return Date | None                     | Ruled Out |
| Southampton (3)             | Valentino Livramento           | Knee Injury             | Aug 01: "Not before the World Cup, but he is in time, I think. I don't know if he is ahead of schedule or not, but this is not the question at the moment."                                                               | 01/01/2023     | None                     | Ruled Out |
|                             | Romeo Lavia                    | Other                   | Sept 02: 'He will be out for longer - how long? We will see, but I expect a minimum of six weeks.'                                                                                                                        | 16/10/2022     | None                     | Ruled Out |
|                             | Duje Caleta-Car                | Other                   | Sept 02: 'I think only Duje is not on the level - it was a little bit too late, the transfer, but everyone else can be part of the squad.'                                                                                | No Return Date | Currently Being Assessed | 25%       |
| Tottenham Hotspur (2)       | Bryan Gil                      | Other                   | Aug 29: 'Gil is not available, but in two or three days, he will start to work again.'                                                                                                                                    | 07/09/2022     | None                     | 50%       |
|                             | Lucas Rodrigues Moura da Silva | Calf/Shin/Heel Injury   | Aug 29: 'Lucas has inflammation in his tendon. When I was a player, I had a lot of pain in my tendon, and you know very well that an inflamed tendon doesn't finish in only one or two weeks. We hope he's with us soon.' | No Return Date | None                     | Ruled Out |
| West Ham United (5)         | Nayef Aguerd                   | Ankle/Foot Injury       | July 19: "We've already had Nayef X-rayed, and there's no break in his ankle, which is good news. It might be some ligaments, or he's twisted his ankle. It blew up immediately, so we have to hope it's not a problem."  | 01/10/2022     | None                     | Ruled Out |
|                             | Gianluca Scamacca              | Illness                 | Sept 02: 'We're still waiting to see how Gianluca Scamacca and Aaron Cresswell [are]. It'll be a late decision for both of them.'                                                                                         | 08/09/2022     | None                     | 50%       |
|                             | Aaron Cresswell                | Groin/Hip/Pelvic Injury | Sept 02: 'We're still waiting to see how Gianluca Scamacca and Aaron Cresswell [are]. It'll be a late decision for both of them.'                                                                                         | 08/09/2022     | None                     | 25%       |
|                             | Craig Dawson                   | Thigh Injury            | Aug 19: 'Craig is not too far away now too.'                                                                                                                                                                              | 08/09/2022     | None                     | 25%       |
|                             | Benjamin Johnson               | Thigh Injury            | Aug 28: 'He just felt a tightness in his hamstring.'                                                                                                                                                                      | No Return Date | Currently Being Assessed | Ruled Out |
| Wolverhampton Wanderers (4) | Francisco Tavares Oliveira     | Knee Injury             | July 27: "Chiquinho underwent knee surgery following injuries to his anterior cruciate and lateral collateral ligament injuries. The surgery went well, and he is now recuperating."                                      | 01/04/2023     | None                     | Ruled Out |
|                             | Boubacar Traore                | Other                   | Awaiting International Clearance                                                                                                                                                                                          | 10/09/2022     | Currently Being Assessed | 50%       |
|                             | Raul Jimenez                   | Other                   | Sept 03: 'We played Raul three games in a row without him doing a pre-season. It was so hard for him to go to the bench. When he tried to run, it was with little pains, chronic fatigue, as we are in this situation.'   | 10/09/2022     | Currently Being Assessed | 75%       |
|                             | Sasa Kalajdzic                 | Knee Injury             | Sept 03: 'It's nothing special. What is important is that he played 45 minutes at a good level.'                                                                                                                          | 10/09/2022     | Currently Being Assessed | 75%       |
