TRANSFER RULES

Changes made before 7:00pm on Friday 11th. August 2023 will not count against your transfer allocation. After that date managers may make no more than 4 transfers per week up to a maximum of 24 transfers. These transfers will be split into 2 batches of 12. The first batch of 12 may be used in the first half of the season (running from Sunday 13th. August 2023 until Saturday 30th. December 2023). The second batch of 12 transfers may be used in the second half of the season (Sunday 31st. December to Saturday 25th. May 2024). A maximum of 4 transfers may be made in a single transfer week (Sunday to Saturday) with the transfers taking effect from the following Sunday which means that the new scores will show from the Sunday after.

A player can only be selected once within an active team - player duplication is not permitted. However, a player may be transferred out and then transferred back into a team provided the team is legal within the rules of the competition. A player may not be transferred out and then back into a team within the same weekly transfer window.

You may change your Star Player nomination up to 3 times during the season. These changes may be made at any time although the normal weekly transfer period will apply. Your Star Player must be a member of your squad; if you wish to have a new Star Player who is not already in your squad you must transfer the new player into your squad and this will count as one of your transfers from your allocation of 24.

Transfer forms will be available from the blue folder behind the bar at The Jolly Fisherman, electronically from John Gallon or online at <https://www.thegallons.co.uk/Archive/Football/football2023.html>.
