| Team                                                   | Player                        | Reason            | Further Details                                                                                                                                                                                                                                     | Potential Return | Condition                | Status    |
| AFC Bournemouth (4)                                    | Enes Unal                     | Knee Injury       | Jan 08: 'He will undergo surgery to repair the ligament in the coming days, and the club's medical and performance staff will support him in every way possible throughout.'                                                                        | 18/10/2025       | Not Available            | Ruled Out |
|                                                        | Julian Araujo                 | Suspended         | Sending Off - Two Yellow Cards                                                                                                                                                                                                                      | 13/09/2025       | Not Available            | Ruled Out |
|                                                        | Lewis Cook                    | Knee Injury       | Aug 14: 'I think Lewis, until the international break, he will be out.'                                                                                                                                                                             | 13/09/2025       | Not Available            | Ruled Out |
|                                                        | Adam Smith                    | Thigh Injury      | Aug 30: 'I think Adam knows his body very well. Straight away, he went to the floor, and he told us it was a hamstring injury. So, we have to assess him. But he will be out for some weeks.'                                                       | No Return Date   | Currently Being Assessed | Ruled Out |
| Arsenal (6)                                            | Kai Havertz                   | Knee Injury       | Aug 29: 'Obviously, we lose another big player for many, many weeks, but it was the right thing to do. The most important thing is - when he gets back - he is in good condition.'                                                                  | 22/11/2025       | Not Available            | Ruled Out |
|                                                        | Gabriel Fernando de Jesus     | Knee Injury       | Jan 14: 'Further to being substituted during our match with Man United, Gabriel Jesus has received extensive assessments, which have confirmed that he has sustained an injury to the ACL in his left knee.'                                        | 22/11/2025       | Not Available            | Ruled Out |
|                                                        | Bukayo Saka                   | Thigh Injury      | Aug 29: 'Bukayo is doing better, but he will be out for a few weeks, unfortunately. No surgery, it's not as bad as the previous one. Very unfortunate to pick it up because it's on the other side.'                                                | 21/09/2025       | Not Available            | Ruled Out |
|                                                        | Christian Norgaard            | Other             | Aug 29: 'Again, tomorrow we have another day, let's see how they evolve, and there's a chance to keep them involved in the game.'                                                                                                                   | 13/09/2025       | Currently Being Assessed | 50%       |
|                                                        | Ben White                     | Other             | Aug 29: 'Again, tomorrow we have another day, let's see how they evolve, and there's a chance to keep them involved in the game.'                                                                                                                   | 13/09/2025       | Currently Being Assessed | 50%       |
|                                                        | William Saliba                | Ankle/Foot Injury | Aug 31: 'He twisted his ankle during the warm-up, and he came in and he said he believed that he could carry on and play, but straight away in the first two actions. I could see that he couldn't cope, and we had to get him out, unfortunately.' | 13/09/2025       | Currently Being Assessed | 50%       |
| Aston Villa (4)                                        | Andres Garcia Robledo         | Other             | Aug 15: 'Andres is injured.'                                                                                                                                                                                                                        | 21/09/2025       | Not Available            | Ruled Out |
|                                                        | Boubacar Kamara               | Thigh Injury      | Aug 29: 'We will see tomorrow, I don't want to anticipate.'                                                                                                                                                                                         | 13/09/2025       | Currently Being Assessed | 25%       |
|                                                        | Amadou Onana                  | Thigh Injury      | Hamstring Strain                                                                                                                                                                                                                                    | 13/09/2025       | Currently Being Assessed | 25%       |
|                                                        | Ross Barkley                  | Other             | Aug 15: 'Ross is not match fit.'                                                                                                                                                                                                                    | 13/09/2025       | Currently Being Assessed | 50%       |
| Brentford (5)                                          | Vitaly Janelt                 | Ankle/Foot Injury | Aug 28: 'Vitaly has rejoined team training. He will continue to train over the coming weeks until he is available for selection.'                                                                                                                   | 13/09/2025       | Not Available            | Ruled Out |
|                                                        | Edmond-Paris Maghoma          | Thigh Injury      | Aug 28: 'Paris completed a positive week of training with the squad. The midfielder still has to build his fitness, having missed pre-season training.'                                                                                             | 13/09/2025       | Currently Being Assessed | 25%       |
|                                                        | Yunus Emre Konak              | Ankle/Foot Injury | Ankle Sprain                                                                                                                                                                                                                                        | 13/09/2025       | Currently Being Assessed | 25%       |
|                                                        | Gustavo Nunes Fernandes Gomes | Thigh Injury      | Aug 28: 'Gustavo is progressing well. The forward is back on the grass but not yet ready to train with the squad.'                                                                                                                                  | 13/09/2025       | Not Available            | Ruled Out |
|                                                        | Yoane Wissa                   | Other             | Aug 28: 'Nothing has changed in terms of my stance. There has been no movement. I'll focus on the group that's settled. He's training. The football club wants to hold on to Yoane... I certainly don't want to lose him.'                          | No Return Date   | Not Available            | Ruled Out |

|                            |                                 |                         |                                                                                                                                                                                                                                                                                                                         |                |                          |           |

| Brighton & Hove Albion (4) | Adam Webster                    | Knee Injury             | July 26: 'Adam suffered a knee ligament injury during training last week, and he will undergo surgery in the coming weeks... It's too early to put a timescale on his recovery period, but it's fair to say he will miss a large part of the season.'                                                                   | 01/06/2026     | Not Available            | Ruled Out |
|                            | Solomon March                   | Knee Injury             | Aug 28: 'Solly is doing well. I don't say perfect. It's going well, but there can always be things we can improve with him regarding his injury. It's very important [that] he and us stay positive.'                                                                                                                   | 05/10/2025     | Not Available            | Ruled Out |
|                            | Julio Enciso Espinola           | Knee Injury             | Aug 28: 'Julio doesn't have a big injury. He's back in rehab training.'                                                                                                                                                                                                                                                 | 20/09/2025     | Not Available            | Ruled Out |
|                            | Mats Wieffer                    | Knee Injury             | Aug 31: 'It's just a small issue. We didn't want to take any risks. He has some days to recover, and then he will be back against Bournemouth.'                                                                                                                                                                         | 13/09/2025     | Currently Being Assessed | 75%       |
| Burnley (4)                | Jordan Beyer                    | Knee Injury             | Aug 15: 'Jordan is OK. He's back in with us. He's still going to be a few weeks, but he's heading in the right direction in and around the group now. You often find that when you've been out for such a long time, sometimes you can pick up other little things. It's just another little setback for him.'          | 14/09/2025     | Not Available            | Ruled Out |
|                            | Connor Roberts                  | Knee Injury             | Aug 21: 'He won't be ready for this weekend. The likelihood is [that] Connor will probably feature back after the international break. He's had an injection, and things seem to be progressing in the right way.'                                                                                                      | 14/09/2025     | Not Available            | Ruled Out |
|                            | Zeki Amdouni                    | Knee Injury             | Anterior Cruciate Ligament Injury - ACL Injury                                                                                                                                                                                                                                                                          | No Return Date | Not Available            | Ruled Out |

|                             | Radu Dragusin                  | Knee Injury           | Aug 29: 'Dragusin is on the way back, and he's been running for a while. I think he should join the team in a week's time, 10 days' time. But of course, it is an ACL. I'm always a little bit more, not worried, but just aware that it takes time. It's not enough to have a six-week pre-season. You need to take a little bit more time, but it's positive and some surprise and come back quicker.' | 19/10/2025     | Not Available            | Ruled Out |
|                             | Yves Bissouma                  | Other                 | Aug 29: 'He's out for the next game. I don't have a specific timeline for him, but I don't think it will be that long.'                                                                                                                                                                                                                                                                                  | 13/09/2025     | Not Available            | Ruled Out |
|                             | Dominic Solanke                | Ankle/Foot Injury     | Aug 30: 'He's got a minor issue with his ankle, which has been grumbling a bit, also in pre-season. It is just too much for this game. Now we have the international break, so hopefully he can be back after that.'                                                                                                                                                                                     | 13/09/2025     | Currently Being Assessed | 50%       |
|                             | Kota Takai                     | Ankle/Foot Injury     | July 29: 'Kota got a plantar fascia injury, unfortunately, we don't know the scale of it - weeks!'                                                                                                                                                                                                                                                                                                       | No Return Date | Currently Being Assessed | Ruled Out |
| West Ham United (2)         | George Earthy                  | Ankle/Foot Injury     | Aug 21: 'George trained with the group today, so he was the only one.'                                                                                                                                                                                                                                                                                                                                   | 13/09/2025     | Currently Being Assessed | 50%       |
